

MRE TECHNOLOGY SERVICES, LLC ("MRETS")

STANDARD TERMS AND CONDITIONS OF SALE

FOR TECHNOLOGY PRODUCTS AND SERVICES

1. Offer and Acceptance: MRETS offers to sell and deliver products and services (referred to herein as "products") in accordance with the terms and conditions set forth herein. Acceptance of this offer is expressly limited to such terms. MRETS hereby objects to and rejects any additional or different terms proposed by Buyer, including those contained in Buyer's purchase order, unless MRETS expressly agrees to such terms in writing.
2. Prices and Releases: MRETS's price in effect on the actual ship date for the quantity actually shipped shall apply.
3. Title and Delivery: If products are shipped from MRETS facilities, shipments inside the U.S. shall be delivered F.O.B. MRETS's offices in Houston, Texas. Shipments outside the U.S. shall be delivered FCA (Incoterms 2000) Buyer's designated carrier. Title and liability for loss or damage shall pass to Buyer upon MRETS's delivery to Buyer's designated carrier. Any subsequent loss or damage shall not relieve Buyer from its obligations. Buyer shall reimburse MRETS for insurance and transportation costs on international shipments and shall be responsible for all import duties, taxes and any other expenses incurred or licenses or clearances required. MRETS may deliver products in installments. Delivery dates are estimates. MRETS shall not be liable for any damage, losses or expenses incurred by Buyer if MRETS fails to meet the estimated delivery dates. If shipment of products is made directly from a distributor or manufacturer to Buyer, the shipping rules and conditions stated in their policies shall apply.
4. Payment Terms: If MRETS extends credit to Buyer, payment terms shall be net thirty (30) days after MRETS's invoice. MRETS may change or withdraw credit amounts or payment terms at any time for any reason. If the products are delivered in installments, Buyer shall pay for each installment in accordance with the above payment terms. If Buyer fails to make any payment when due, MRETS may suspend or cancel performance under any agreements in which MRETS has extended credit to Buyer. MRETS's suspension of performance may result in rescheduling delays. If, in MRETS's judgment, Buyer's financial condition does not justify the payment terms specified herein, then MRETS may terminate this contract unless Buyer immediately pays for all products that have been delivered and pays in advance for all products to be delivered. Termination in accordance with this clause shall not affect MRETS's right to pursue any other available remedies.
5. Taxes: Prices do not include applicable taxes or duties. Buyer is solely responsible for paying all applicable taxes and duties. MRETS will add sales taxes to the sales price where required by applicable law, and Buyer will pay such taxes unless Buyer provides MRETS with a duly executed sales tax exemption certificate. If Buyer is required by law to withhold any amount of tax from its payment to MRETS, Buyer shall promptly pay such amount to the appropriate tax authority and take all reasonable steps to minimize such withholding tax.

6. Contingencies: MRETS shall not be in breach of this contract and shall not be liable for any non-performance or delay in performance if such non-performance or delay is due to a force majeure event or other circumstances beyond MRETS's reasonable control, including but not limited to shortages of labor, energy, fuel, machinery or materials, technical or yield failures, war, civil unrest, any government act, law or regulation, including any judicial order or decree, any communication or power failure, labor dispute, natural disaster, fire, flood, earthquake, explosion, terrorist act or Act of God.

RMAs will be issued for authorized returns under one of the following categories: (i) defective Products, (ii) stock balancing, (iii) billing or shipping discrepancies, or (iv) damaged Product. Buyer is responsible for ensuring that the RMA number is clearly visible on the address label of the Product packaging when it is returned to Ingram Micro. Ingram Micro will refuse delivery of any boxes without a valid, clearly visible RMA number as noted above. Overgoods are unauthorized returns. Any Products received by Ingram Micro (i) without a valid RMA number, including Product shipments refused by Buyer or Buyer's customer except those damaged in transit from Ingram Micro to Buyer or from Ingram Micro to Buyer's customer, (ii) later than twenty calendar (20) days from the RMA date, or (iii) in a condition unsuitable for resale (excluding defective Products), will be considered Overgoods. Ingram Micro will return Overgoods to Buyer or Buyer's customer, and will charge Buyer a \$50 processing fee per shipment plus related freight charges. If Buyer refuses the shipment of Overgoods from Ingram Micro or returns the Overgoods to Ingram Micro a second time without Ingram Micro's prior authorization, Buyer agrees to relinquish all right and title to and waives all claims against Ingram Micro for credit related to such Products. Notwithstanding anything to the contrary, Ingram Micro reserves the right not to authorize the return of Products that are no longer in production or are being produced or published by a manufacturer or publisher that (i) is insolvent, (ii) has declared bankruptcy, or (iii) will not accept returns from Ingram Micro.

2. Defective Product Returns - Defective returns are only for Products purchased from Ingram Micro that are inoperable or do not function in accordance with the specifications published by the manufacturer or publisher and are covered under the manufacturer's or publisher's warranty. All defective returns are subject to more restrictive manufacturer or publisher policies. Buyer may request an RMA for the return of defective Products, excluding Special Order Products, within forty-five (45) calendar days of invoice date. Buyer's defective returns will be limited to a maximum of 15% of the value of Buyer's Product purchases within the same vendor code as the defective Product during the forty-five (45) calendar days prior to the RMA date, less any prior defective returns during that period. Upon receipt of the defective Product for which the RMA was issued, Ingram Micro may test the Products and may return to Buyer, at Buyer's expense, any Products found not to be defective. Upon verification that the returned Product is defective, Ingram Micro may, at Ingram Micro's sole discretion, either (i) ship Buyer a replacement Product, or (ii) provide Buyer a credit equal to the lesser of the Product's invoice price or current replacement value less any applicable charges or fees. Ingram Micro reserves the right to require Buyer to return defective Products directly to the manufacturer or publisher for replacement according to its defective Products return policy. Ingram Micro shall not be obligated to repair, replace, or issue credit to Buyer for Products rendered defective, in whole or in part, by causes external to the Products, including, but not limited to, catastrophe, power failure or transients, overvoltage on interface, environment extremes, improper use, maintenance or application of the Products or use of unauthorized parts.

All stock balance returns are subject to more restrictive manufacturer or publisher policies. Buyer's stock balance returns will be limited to a maximum of 15% of the value of Buyer's Product purchases within the same vendor code as the Product to be returned during the ninety (90) calendar days prior to the RMA date, less any prior stock balance returns during that period. Upon receipt of the Product for which the RMA was issued, Ingram Micro will verify the condition of the Product. Any Products that are not in Stock Balance Condition will be considered Overgoods. Ingram Micro will return Overgoods to Buyer and will charge Buyer a \$50 processing fee per shipment returned to Buyer plus related freight charges. Additional fees may apply to returned Products; e.g., re-box, label removal, re-shrink, etc., that are not in Stock Balance Condition. Upon verification that the returned Product is in Stock Balance Condition, Ingram Micro will issue a credit to Buyer equal to the lesser of the Product's invoice price or current replacement value less any applicable charges or fees. If Ingram Micro elects to restore returned Product to Stock Balance Condition instead of returning it to Buyer, the credit to Buyer will be net of Ingram Micro's costs to return the Product to Stock Balance Condition. Buyer shall pay all costs and bear all risks of loss when returning Products to Ingram Micro.

4. Damaged Product Returns - Damaged Product returns are only for Products purchased from Ingram Micro and
